13th September 2016

Dear Parents/Carers

Firstly I hope that you have all had a good summer break and that this academic year proves a highly successful one for your child.

Enclosed is a copy of the data collection sheet that we have on your child which I would be grateful if you could check and amend as necessary then return to School by Friday 23rd September. In particular could you please ensure that the Country of Birth and Nationality are included as these are new census requirements.

As you are aware the School offers an extensive out and about curriculum as well as many opportunities to attend off site venues; therefore it is imperative as part of our safeguarding procedures that we have the necessary consent forms completed with emergency contact information. If you have not recently completed these forms, a further copy will be enclosed for you to update and return by 23rd September.

Finally as you are aware our school budget has been reduced resulting in careful financial monitoring. As a School we have always provided pupils with a free breakfast option as we believe that this is an important start to the day as well as an enjoyable social experience. To this end if parents and carers feel they are able to offer a £5 voluntary contribution each term (which can be paid on a weekly basis) towards the cost of continuing with the above, then this would be very much appreciated.

Many thanks for your continued support and obviously if you have any queries or concerns, please do not hesitate to get in touch.

Yours sincerely

MR S HUBBARD
HEADTEACHER
