Dear Parents/Carers

### The new parent app – easy access to important school information

We have a convenient new way to share information with you about your child's school life through the recently launched SIMS parent app and website which you can access from a smartphone, tablet or PC – anytime, anywhere. To be able to take advantage of this new app, a valid email address is needed so please ensure that the School Office has this information.

What will you find in the SIMS Parent App Lite:

- Access to update your contact details, so we always have the most up-to-date information in case of an emergency.
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

Getting started with the SIMS Parent App Lite:

1. We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for SIMS Parent.
4. From a PC or Windows phone, login online at [www.sims-parent.co.uk](http://www.sims-parent.co.uk)

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact the school.

Yours sincerely
