16th October 2019

To all Parents/Carers

Dear Parents and Carers

On Tuesday 22nd October all students are invited to participate in our "Zombie Apocalypse" STEM day!

Students will be off timetable during the morning session and be required to work within their form groups in order to complete several tasks that use their Maths, Engineering, Science and Technology skills to their full potential.

Staff and students are invited to wear Halloween outfits should they like to do so. This is absolutely not essential in order to be able to participate and we certainly don't expect families to go to any expense to facilitate new outfits. Any students not wearing zombie or Halloween outfits are expected to attend in normal uniform.

Afternoon lessons will take place as per the timetable and usual kit requirements apply.

The day promises to be a fun filled one with plenty of opportunity to show their cross curricular skills.

Yours sincerely

MRS G FRANCIS
ASSISTANT HEADTEACHER
