Dear Mr Cross

I am writing to say, 'Thank You So Much!' to all the staff and pupils of Elmwood School for the £77.50 they have donated to Walsall Bereavement Support Service.

The financial support that you have all shown to the value of our work really is very much appreciated, as is the fact that you have taken the time to write such a lovely letter of thanks. As a small charity we are always working hard to raise the funds necessary to keep the organisation going and as such so we are always very grateful for donations and fundraising support.

In addition, we will be able to use your letter to help us evidence the value and impact of our work with bereaved children and young people, which in turn helps to secure future funding from charitable trusts and foundations.

So once again on behalf of everyone involved with Walsall Bereavement Support Service, thank you all for your kindness and consideration.

Yours sincerely

Elaine Bullen  
Head of Service
