

WALSALL METROPOLITAN BOROUGH COUNCIL

Decision notice

Re.: Proposal to increase the place-funded numbers at Elmwood School

Notice is given in accordance with section 19(1) of the Education and Inspections Act 2006 and *'Making significant changes ('prescribed alterations') to maintained schools – Statutory Guidance for proposers and decision makers, October 2018* that following a formal consultation process, Walsall Metropolitan Borough Council, has decided to confirm the proposal to increase pupil numbers at Elmwood School with immediate effect.

The Council is satisfied that a fair and open local consultation has taken place and that full consideration has been given to the responses received. There were no objections received to the proposal and representations received were in agreement with the proposal.

This decision, therefore, confirms that the school place-funded numbers will increase to 67.
