

Dear Circus Starr

Thank you for Inviting us
to join you and for the
free tickets.

My favourite part was the
clown (forgot his name) was trying
to catch the bee

I Really enjoyed the whole
show, for a Big circus fan
It's Really great to be entertained

bear circus start

Thank you for inviting us
to join you and for the
free tickets I really liked
it the most curved part was
the clown nose in a funny
way too I would like to say
again but it doesn't matter

hope I can see you again
good wishes Marie
