

ELMWOOD SCHOOL INSPIRATION DAY

WHEN

**March 30th
10am – 2pm**

**Your opportunity to meet,
engage and inspire students as
they embark on the next stage of
their learning journey.**

**Whether you are a college, offer
apprenticeships or alternative
ways into work you will find our
students eager to understand
the opportunities available to
them.**

OUR SCHOOL

Elmwood is a calm, purposeful school that specialises in the education of children with Social, Emotional and Mental Health challenges

OUR CHILDREN

Pupils at Elmwood are encouraged to become the best versions of themselves that they can and we work hard to provide them the opportunities to take risks, learn and understand what the future could look like for them given the chance

OUR VALUES

Care for Self
Care for Others
Care for our Environment

OUR AIM

We work exceptionally hard to help our pupils develop in all areas of their lives. We achieve fantastic outcomes at KS4 resulting in a high percentage continuing in education, training or employment. Forward thinking organisations, like Yours, are key to this. Information and guidance that you can provide will give that spark of inspiration to carry these children forward into adulthood.
