Dear parents/carers

VISIT TO THE MAD (Mechanical Art and Design) MUSEUM– THURSDAY 31ST MARCH 2022

Your child has the opportunity to visit The MAD (Mechanical Art and Design) Museum in Stratford upon Avon on Thursday 31st March 2022 where pupils will spend the day learning and taking part in STEM activities. Best described as a mixture of Wallis and Gromit, Heath Robinson and Scrapheap Challenge; the museum offers a chance to experience and interact with fantastic machines such as marble runs, high-tech robots, witty design and mind-blowing intricate moving contraptions, with a bit of physics in action.

Your child has been selected for the trip as they have been twice exceptional. Further information on the activities that your child will be taking part in can be found on: <https://themadmuseum.co.uk>
