It's a great place for Reece to be
with his needs.

So glad that our son is being taught in this
School as it seems to provide the best for
his needs.

I am overall happy with my child placed at Elmwood
but would like to see increased communication
about my child's day, progress and learning topics.

Brilliant Communication
from School Always!!!

Couldn't wish for a better
School & Staff.

Aidan really enjoys coming to
School. HE feels safe there
I have no concerns for Aidan.

The help and support inside and out of School is
Spot on!

School help and educate rather amazingly.

Amazing School, teachers excellent communication at all times
I am very happy.

Settled well at Elmwood than any other
School. Mom's happy.

An excellent school, with excellent staff who
support my child to be the best she can be.

My child has made wonderful progress in the
first two years here. He is able to put coping
mechanisms into place and has established good
trustful relationships with the staff in class.

school is great and amazing
for needs of children.

The school continues to support my son well, and I
couldn't be happier with his progress.
